

Appl. No. 10/682,630  
Atty. Docket No. 8346C  
Amdt. dated January 30, 2006  
Reply Office Action of September 28, 2005

**REMARKS**

Claims 25-30 are now in the case.

Applicants have amended claim 25 to more clearly recite the invention.

As requested by the Examiner, Applicants have amended the specification and the abstract.

Each of these amendments is supported by the specification, claims and drawings as filed.

It is Applicants' position that the amendments overcome the rejection.

Reconsideration and withdrawal of the rejections are therefore respectfully requested.

It is submitted that all the claims are in condition for allowance. Early and favorable action on all claims is therefore requested.

If the next action is other than to allow the claims, the favor of a telephonic interview is requested with the undersigned representative.

Respectfully submitted,  
Nicola J. Policicchio
